Sub: Approved financial norms including payment of DA to participants for RCH-II trainings- regarding.

Sir/Madam,

Financial norms applicable for RCH-II trainings were circulated by MOHFW vide their D.O. No. A-11033/101/2007-Trg. dated 20th October, 2008. Subsequently revised norms of DA for the participants were circulated by MOHFW vide their DO no. A-11033/101/2007-Trg. dated 2nd April, 2009.

However, it has been noted that there are still some confusions regarding the financial norms at the state level for RCH-II trainings, especially regarding DA for participants and honorarium for trainers. Approved rates for TA/DA for experts for certification and monitoring of Anaesthesia & EMOC are also enclosed. In order to provide more clarity and also to achieve uniformity in implementation, the instructions/norms contained in the above indicated letters have been summed up and are annexed for reference.

You are kindly requested to circulate these comprehensive guidelines to all concerned officials involved in RCH-II trainings.

Thanking You

Yours sincerely

(Shalini Prasad)

Dear Sir,

Sub: Regarding clarification of DA and accommodation charges for the
Trainees of LSAS & EmOC training.

Ref: DO No. A-11033/101/2007 Trg, Dated : 02-04-2009

* * * *

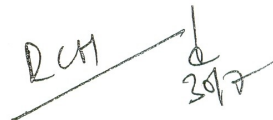

With reference to the above subject we would like to get clarify regarding DA and accommodation charges for the trainees of LSAS & EmOC training. The letter received from GOI, DO No. A-11033/101/2007 Trg, Dated: 02-04-2009, the norms given are as follows.

- 1) DA to Group - A, B & equivalent participants = Rs. 700/- (as against Rs.200 per day earlier)
- 2) DA to Group - C, D & equivalent participants = Rs. 400/- (as against Rs.125 per day earlier)
- 3) Accommodation charges for trainees

State capital Rs. 500/-	= (as against Rs.100 per day earlier)
District level Rs. 300/-	

So we need clarification whether these norms are particularly for EmOC & LSAS trainees only or also to other NRHM trainees.

With regards
Director,
SIHFW,
Bengaluru.

Dear Madam/ Sir

Kindly see the annexure attached with Letter no A.110033/101/2007-Trg. dated 02.04.2009 from Mr GC Chaturvedi, AS& MD, MOHFW. The trainees of Anesthesia/ EmOC Training will get the cost of accomodation indicated at Point A of the Annexure i.e. Rs 500/- or Rs 300/- as the case may be or they can claim DA approved for group A i.e. Rs 700/- which includes accomodation.

This is to clarify that the trainees will not get both DA at point (b) and accomodation charges at point (a). They can claim either of it and I feel that they should claim DA @ Rs 700/- for Group A and not the accomodation indicated at point (a). All other parameters of the respective training will apply.
