

# THE DRUGS (CONTROL) ACT, 1950

- The purpose of this Act is to provide guidelines and rules for the control of sale, supply and distribution of the drugs. The Chief Commissioner may fix the maximum price or rate or maximum quantity a dealer can possess. The price will be labeled on the drug which cannot be destroyed or altered by any person/dealer. No drug shall be disposed except in such circumstances or situation as may be specified in the order of the Chief Commissioner. Any violation of the Act by the person or manager/owner or company shall be punishable.
